Registration Form

Asia-Pacific Faculty Development Program (APFDP):

The Asia-Pacific Faculty Development Program (APFDP) 2025 is the inaugural edition of a faculty development program hosted by Daffodil International University in Bangladesh, in collaboration with the Association of the Universities of Asia and the Pacific (AUAP). The program aims to provide professional development opportunities for faculty members from AUAP member institutions and other Asia-Pacific universities. Key areas include curriculum development, digital teaching, assessment, and research methodologies with activities such as workshop, sessions, networking events, and cultural immersion experiences.

Ignite Innovation and Level Up Your Teaching: A Masterclass with Purdue University

Introduction to Daffodil International University (DIU):

Established on January 24, 2002, DIU stands as one of Bangladesh's leading private universities, offering high-quality education with a focus on information technology and entrepreneurship. With faculties spanning Science and Information Technology, Engineering, Business & Entrepreneurship, Humanities and Social Sciences, and Health and Life Sciences, DIU is strategically located in Dhaka with a vibrant campus hosting 700 full-time faculty members and 22,000 students from both national and international backgrounds.

Internationalization and Achievements:

DIU has been actively involved in international mobility programs, facilitating student and staff participation in ERASMUS+ grants and prestigious scholarships such as Mevlana, KGSP, and MEXT. The International Affairs (IA) office plays a pivotal role, overseeing collaborations with 540 universities worldwide and membership in 55 leading international organizations, including AUPE, AUAP, ACU, and AIU-Net, etc. DIU's commitment to global engagement is evident in its diverse programs, from Semester Exchange to International Social Business Summer Program.
